SHANNON AIRPORT ACCESS ROAD IMPROVEMENT SCHEME

INTRODUCTION

Clare County Council, in partnership with Transport Infrastructure Ireland (TII), is developing the planning and design for the N19 Shannon Airport Access Road Improvement Scheme.

The Scheme will provide high-quality road improvements on the N19 National Primary Road between Drumgeely Roundabout and Knockbeagh Point Roundabout, on approach to Shannon International Airport.

Clare County Council appointed Fehily Timoney & Company and Clandillon Civil Consulting Joint Venture (FTC JV) in October 2019, as the Technical Consultants to progress the Scheme through Phases 1 to 4 of the TII Project Management Guidelines.

UPDATE NO.1: (MAY 2020) PHASE 2 OPTIONS SELECTION PROGRESS UPDATE

Phase 2 of the Scheme (Options Selection) is currently ongoing. A constraints study area has been identified for the Scheme. The constraints study is currently ongoing to identify the nature and extent of natural and artificial constraints. This study will enable appropriate route corridor options to be developed and examined.

The constraints will be documented and mapped such that route corridor options can be designed taking cognisance of such constraints. An important attribute of Phase 2 is the facilitation of stakeholder engagement, through public consultation.

CONSULTATION

A number of Public Consultation events will be held during Phase 2 of the Scheme, which will be advertised through various media platforms and on the Scheme Website. Given the current COVID-19 situation, all face-to-face consultations are suspended until restrictions are lifted.

In the meantime, Public Engagement is encouraged to ensure that those who have an interest in, or are potentially affected by the proposed Scheme are kept fully informed and their feedback is taken into account.

The Project Liaison Officer remains available and contactable by phone on **065 6866147** or via email at **info@shannonaccess.ie** to address any queries.
